

## Recognizing thrombotic risk in patients with AIHA: Opportunities and challenges

Sunday 25 June 2023 | 07:00–07:45 AM EST  
Room 520, Palais des Congrès de Montréal, Montréal, Canada

Save the date for our Sanofi Satellite Symposium, titled ‘Recognizing thrombotic risk in patients with AIHA: Opportunities and challenges’, taking place LIVE at the ISTH congress on Sunday 25 June at 07:00 AM EST.

Chaired by Alexander Röth, together with Keith McCrae and Catherine Broome, we will explore the underlying mechanisms and impact of thromboembolic event (TE) risk in patients with warm AIHA and CAD and share expert perspectives for managing TE risk in clinical practice.

07:00–07:05	<b>Introduction</b>	Alexander Röth, Germany (Chair)
07:05–07:20	<b>Recognizing evidence of TE risk in warm AIHA and CAD:</b> What are the underlying mechanisms?	Keith McCrae, USA
07:20–07:35	<b>Tackling the future of TE risk in warm AIHA and CAD:</b> What are the key challenges and opportunities?	Catherine Broome, USA
07:35–07:45	<b>Q&amp;A</b>	All speakers

**Alexander Röth, (Chair)**  
West German Cancer  
Center, Essen University  
Hospital, Germany

**Keith McCrae**  
Cleveland Clinic Lerner  
Research Institute,  
Cleveland, USA

**Catherine Broome**  
MedStar Georgetown  
University Hospital and  
Lombardi Cancer Center,  
Washington DC, USA
